Forecast for Monday 05 Jun 2023

Weather: Some early cloud possible on eastern upslopes, but very quickly dispersing. A fine, sunny day follows with very high UV and feeling warm.

Chance of cloud-free hill tops above 800m: 100% for most, but 80% in far east during the morning.

Low Cloud and visibility: Very good to excellent views of distant hills. Perhaps the odd patch of cloud obscuring eastern upslopes above 400m during the morning, but quickly clearing.
